J. Cotten Cunningham

Attorney, Member

Professional Experience

Before joining the Barber Law Firm, Cotten Cunningham was the managing partner of a mid-size law firm specializing in insurance defense litigation. Before joining that firm, he represented the Arkansas Health Care Association and the nursing home industry during the 83rd Arkansas General Assembly. During that Session he actively lobbied for the "Quality Assurance Fee," which enabled the state of Arkansas to increase its Medicaid reimbursement rate to a level comparable to that of other surrounding states, and tort reform legislation to protect the nursing home industry from runaway jury verdicts and the ever-increasing costs of insurance premiums for liability coverage.
